**RURAL MANAGEMENT & DEVELOPMENT DEPARTMENT
GOVERNMENT OF SIKKIM
GANGTOK**

Ref No:242 /RM&DD/M

Dated: 4th Feb, 2013

To,

**District Collectors –cum-
Head of the District Level Committee of REDRH
East and West Districts
Government of Sikkim**

Subject: REDRH MIS: Pakyong, Reghu and Hee Bermiok Blocks yet to open their account in the eStores module

Sir,

As you are aware the REDRH MIS at www.sikkimrmd.gov.in is up and operational and is being extensively used for monitoring and reporting purposes. Hence, it is imperative that the Districts and Blocks keep this MIS updated regularly with accurate data.

The eStores module which allows for recording of the stock material receipt from STCS and issue to the beneficiaries has also been made operational. Several trainings on data entry in the MIS for the store keepers, AE/JE and the DS in their districts were also carried out as a capacity building measure. While most of the Blocks are showing satisfactory data entry progress in the eStores module of the MIS, **three Block namely Pakyong and Reghu in East and Hee Bermiok in West are yet to even start data entry. In spite of several telephonic intimations the status remains the same.**

Hence, your personal intervention is sought in the matter to resolve this data entry gap which exists in your District at the earliest.

Yours faithfully,

(Sandeep Tambe)
Special Secretary

Encl: As above
