

*Anil Ganeriwala*, IFS  
SECRETARY

D.O.NO. 72 /RMDD  
Dated the 15<sup>th</sup> June, 2012

Government of Sikkim  
Rural Management & Development Department  
Gram Vikas Bhawan, Gangtok - 737101  
Ph. Office : 03592 - 202659  
Resi. : - 204563  
Fax : - 201221  
E-mail : anilganeriwala@hotmail.com

This is in continuation to my earlier D.O. letter dated 4<sup>th</sup> April, 2012 (enclosed) wherein I had requested for initiating the Reconstruction of Earthquake Damaged Rural Houses (REDRH) project in due earnest by building adequate capacity and adhering to the operational guidelines. Since then we have organized a project kickoff workshop and a technical training workshop for all the administrative, accounts and technical officers of the Block and District level on 28<sup>th</sup> April, 2012 and 21<sup>st</sup> May, 2012 respectively. Necessary forms and registers have also been printed and issued to the Districts. Also the REDRH Web Portal [www.sikkimrmdd.gov.in](http://www.sikkimrmdd.gov.in) is up and running and beneficiary details are also being entered in this.

The approved cabinet memo dated 19<sup>th</sup> April 2012, which clarifies the policy issues is also being enclosed for your ready reference, along with the Operational Guidelines which was also circulated during the project kickoff workshop on 28<sup>th</sup> April, 2012. The strategy for stock material management is centralized procurement and decentralized storage, issue and record keeping. The stock material namely TMT Bars (16mm, 12mm, 10mm and 8mm) and cement bags are being procured in a centralized manner. The District needs to provide Block-wise demand to the RMDD head office in the prescribed format, based on which STCS will provide the stock material directly to the Block Level Stores.

Since this is a natural calamity related activity, please ensure and supervise the ground level implementation in the right earnest. I would like to once again request you to mobilize your District, Block and Village level teams so that they rise to the occasion to ensure a smooth, error free and timely implementation of this project.

With kind regards,

Yours sincerely,

(Anil Ganeriwala)
